SUBJECT: Weekly Activities Report #4
23 - 29 January 1964Midcareer Course

1. The Brookings phase of the present course began on 27 January with a stimulating discussion led by Professor Harold Chase of Columbia University on "Government in a Free Society." The USIA speaker, John McKnight was ill and could not appear on Wednesday. His substitute was Seymour I. Nadler.

2. The "make up" session held on Saturday, 25 January at which Colonel White and Sherman Kent appeared was very well received and certainly worth the extra effort and time.

3. Arrangements for the S.A.C. tour in Omaha and the tour of the National Military Command Center at the Pentagon during the last two weeks have been completed.
